

BRAND GUIDELINES

Modern financial records, kept in order.

Version 1.0 / August 2026

The modern ledger

Daftar

Every figure, accounted for.

Daftar means notebook, ledger or official register across the region.
The identity connects the permanence of a traditional record with the clarity and speed expected from modern financial software.

CALM

Warm paper, quiet hierarchy and controlled contrast.

EXACT

Tabular figures, explicit states and precise validation.

GROUNDED

Regional meaning without ornamental stereotypes.

One identity, four useful forms
